Project Director

01.2018 — 01.2026

Digital agency, Moscow (NDA)

Promoted from Performance Marketer → Project Director / Traffic Marketing Lead

As Project Director — 04.2024 - 01.2026

- Built management of cross-functional production, traffic, and analytics teams — 10+ people excluding contractors.
- Developed and implemented a KPI system for the traffic department, increasing project margins by 15% and improving the predictability of financial results.
- Built an analytics department from scratch in 6 months: formed a team of 5, developed processes, and automated reporting. Reduced labor required for weekly reporting from 20 to 6 hours.
- Developed analytics into a standalone commercial product of the agency — up to +15% additional revenue per project.
- Simultaneously managed up to 6 projects in the markets of Russia, the USA, UAE, and Cyprus with total media spend of up to ₴45M per month.

As Performance Marketer / Facebook Ads Expert — 01.2018 - 04.2022

- Managed advertising campaigns in Russian and international markets with budgets of up to \$35K/month; ROMI — up to 952%, conversion to deal — 7–9% (in real estate).
- Developed 30+ concepts and briefs for AIDA landing pages — from structure to visual mockups.
- Developed offers and creative briefs: copy, banners, videos, landing pages.
- Designed CJM, Customer Flow, and funnels to identify growth opportunities and optimize advertising.

Marketing Director

04.2014 — 02.2018

SOYUZ (consumer and digital electronics retail)

- Developed and conducted 250+ ATL/BTL campaigns, selecting the most effective practices for demand seasonality — ROMI from 115%.
- Developed a new loyalty program from scratch — customer base segmentation, new points mechanics — RPR +10% in 6 months.
- Initiated and coordinated the development of a new website: shifted purchasing to self-service — launched e-commerce and relieved the service department.

- Deepened the reporting system, making it the basis for оперативное adjustment of campaigns and loyalty.
- Oversaw the launch of a new store format — from rebranding to implementation.

Marketing & Sales Director

11.2009 — 04.2014

Roof Center (construction materials retail)

Career progression within the company: Intern → Marketer → Head of Marketing & Sales — within 2 years.

Area of responsibility: sales of 6 branches with a total staff of 25 employees.

- Shifted Sales Department motivation from “actual results” to “plan-based” — implemented a sales planning system for 6 branch directors, making salaries and sales manageable and predictable for the first time in the company.
- Developed a new hiring system for sales managers, through which selected a new department of 6 motivated specialists with zero turnover for 4 years.
- Organized the opening of 2 new sales points.
- Managed media plans and cross-marketing with manufacturers.
- Oversaw the website, exhibitions, staff training, and trademark registration.
