Project Director

01.2018 – 01.2026

Digital agency, Moscow (NDA)

Leadership & Scope

- Managed cross-functional production, traffic and analytics teams — 10+ people excluding contractors.
- Managed up to 6 projects in parallel across Russia, USA, UAE and Cyprus.
- Managed total **ad spend of up to ₺45M/month**; international markets — **up to \$35K/month**.

Business & Analytics

- **Built an analytics department** from scratch in 6 months: formed a team of 5, developed processes, and automated reporting.
- Reduced weekly reporting effort **from 20 to 6 hours**.
- Developed analytics into a standalone commercial product for the agency — **up to +15% additional revenue** per project.
- Implemented a KPI system that **increased project margins by 15%**.

Performance Marketing

- Managed advertising campaigns across Russian and international markets; **ROMI up to 952%, conversion to deal 7–9%** in real estate.
- Developed 30+ landing-page concepts and briefs — from structure to visual mockups.
- Designed CJM, Customer Flow, and funnels to identify growth opportunities and optimize advertising.

Marketing Director

04.2014 – 02.2018

SOYUZ (consumer and digital electronics retail)

- Developed and conducted 250+ ATL/BTL campaigns, adapting the most effective practices to demand seasonality — **ROMI from 115%**.
- Developed a new loyalty program from scratch — customer base segmentation, new points mechanics — **RPR +10%** in 6 months.
- Enhanced the reporting system, making it the basis for operational adjustment of campaigns and loyalty.
- Initiated and coordinated the development of a new website: shifted purchasing to self-service, launched e-commerce, and reduced the workload of the service department.
- Oversaw the launch of a new store format, from rebranding to implementation.

Marketing & Sales Director

11.2009 – 04.2014

Roof Center (construction materials retail)

Intern → Marketer → Head of Marketing & Sales — **within 2 years**.

Responsible for sales across 6 branches with a total staff of **25 employees**.

- **Shifted Sales Department motivation** from "actual results" to "plan-based" — implemented a sales planning system for 6 branch directors, making salaries and sales more predictable and manageable for the first time in the company.
- Developed a new hiring system for sales managers, through which I selected a new team of 6 motivated specialists with **zero turnover for 4 years**.
- Organized the opening of **2 new sales points**.
- Managed media plans and cross-marketing with manufacturers.
- Oversaw the website, exhibitions, staff training, and trademark registration.
